OFFENSIVE UNIT

Brian Gillespie

Mark Krywicki

The first loss of the season

The Junior High Football team had a 7-2 record this season. The defensive unit gave up the least amount of points to the opposing teams in the history of the school. Offensively, the team scored with disciplined drives as well as on the sparkling-type play. Kick off returns 60, 70 and 82 yard runs for scores, pass plays for big yardage - the team had its share; the drive, more often used, was much more satisfying.

Individual players contributed to the team's effort and during the course of the season were awarded offensive and defensive players of the week or star of the game awards.

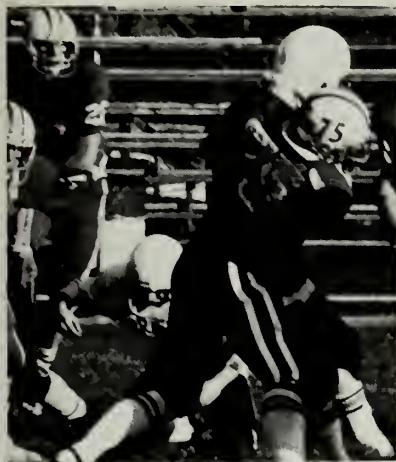

Winthrop was the first foe to fall to Saugus with a 14-8 score. This game was highlighted by the play of STEVE PEACH, who was awarded the GAME STAR.

Swampscott folded 20-0 as Saugus' defense began to jell and the offense perked up to better workings. The GAME STAR was awarded to BUDDY STAPLES and the DEFENSIVE STAR was shared by STEVE PEACH and PAUL SCIORTINO.

27-0 the next week. STAPLES again received the GAME STAR with two TD's and excellent defensive work. JOE GILLIS and BOB CORDEAU, two outstanding linemen, were given OFFENSIVE STARS while TOM ANDERSON and GREG NICKOLAS were awarded the DEFENSIVE STARS.

The following week Saugus defeated Gloucester 22-8. DOUG ORLANDO stood out on defense and was given the DEFENSIVE STAR while the entire offensive backfield shared the Offensive Star.

Marblehead defeated Saugus 8-0 in a fine game. The team played well, although the offense could not get cranked up. The season was at a 6-2 with a tough Lynn B team ahead.

In a game where the spirit of the team

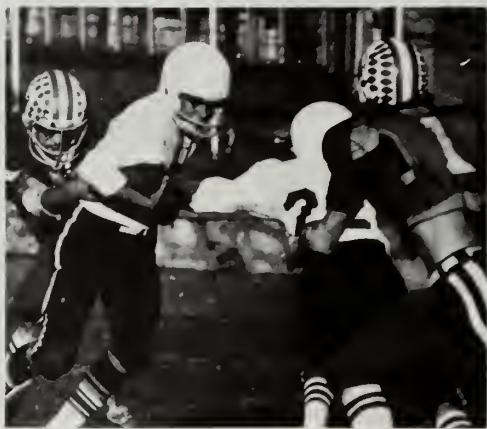

## Defensive Unit

Greg Diamond

could have let down, the boys of Saugus came through and drubbed Lynn B 19-0. This fourth shut out of the season kept the points against tally at 42, an average of only 4 points per game - a most creditable statistic. The OFFENSIVE STAR was awarded to BUDDY STAPLES and the DEFENSIVE STAR was shared by STAPLES and PEACH. Steve Peach was also awarded the GAME STAR.

Saugus can once again be proud of a team who did well in the win-loss column, but more importantly learned to play well together.

All of the coaches agree that the 1977 team came a long way during the season to finally place second in the Northeast Conference.

The team started the season off very strong by defeating Swampscott and Classical. They then had trouble with Gloucester and lost a close game 3-1. In this game they had led for over two periods when in the last few minutes Gloucester came through with 2 goals. The Winthrop game was a physical one with hard checking and wide open skating. Although they played hard, Saugus was unable to beat the Vikings. The Danvers game saw Saugus come from behind with 3 goals late in the game but it was too little too late as they lost 5-3. Against Salem, Saugus got back on track and took the victory 4-1. Several of the games were snowed out due to the Blizzard of 78. One of those non league games was to have been a match against the faculty but the snow cancelled this too.

The team had a wide variety of scorers and played consistent hockey with Daryl Andrews and Jim Madigan in goal allowing only 18 goals over the season while Saugus scored 26 goals led by Dave Emma with 7 and B.J. Billingsley with 4 goals.
